After and Treesurer could be appointed and wards came David Rice and the Presby salaried to whom narratives and records or orders, properly authenticated, could should be foremost in the work of evangeli be promptly furnished. In a year, more zation and civilization. They all straye wit and better material would be furnished earmestness and zeal, and if one has sue han any private individual could gather | ceeled above the other it is from no inheren in a life-time. Its incetings would soon excellence of the doctrine, but the advent become by far the most interesting in tions aid of circumstance

To-day the Methodists of Kentucky occup a lofty position. They have two conference the city or State. County branches might lend their assistance, and the visiors settled in every city and fown and village, and preachers upon all the circuits whole State be so mapped over that not a particle of a prient or modern history Connected with the church South, it Is the of Kentucky could be lost. We hope all the elements of strength and future pro our proposition will meet with favor. We will be happy to hear from any citizens who agree with us in approving

The history of such a work of falth deserve o have been written. This has been don most taithfully and conscientiously by Re-A. II. Belford. We have before us the first This series of volumes. They will be found derialning, not merely to the Methodists ntt to the people of all denominations, am ven to politicians, for the current of Ken acky's history is often interwoven, with re cut from the ordinary lo-cusses. They What Mr. Redford Is now doing so ably and

appear in the indivisible period of sevensuccessfully for the Methodists of our State should be done by gentlemen of the severa cen years, and were last visible in 1851. They are now due and prompt payment They are now dife and prompt payment is expected. They were visible to observers May 23d, 1817; in 1831 about the Kentucky. Could not Dr. Robert J. Breckliname time, and have made this year's ridge soften his mood and sweeten his temper, so as to turnish the world before he dies The frequent rains obligingly drowned a personal account of what he kno nany of them, it is said, and most of church, even if not from David Rice, still them are now live luches below the surface of the ground, discouraged in their understand, treserved memoirs of his episco-pate in Kentucky. They will be highly prized entrances by the rain-hearing Hyades. as postliming offerings to his church and the Like other lo-cusses they liest appear in the pupa or puppy state, and soon Kentucky for two terms as her first fovernor the liest to preach in the West, who gave to Kentucky for two terms as her first fovernor than the pupa or puppy state, and soon the liest to preach in the west, who gave to be a sometime of the pupal or puppy state, and soon the puppy of the pupil sometimes and the pupper of the pupper community at large. The Baptists, who were eceptable kir Is, that the young might after can be caught on the fly in base- a preacher of their falth, and Secretary tuni recreation and amusement, and thus half season. They deposit eggs the last state of like doctrine, and whose last Gov lestick of the association made a pay- of May in the temler twigs, and when ernor was an honored Baptist deacon, owe if they get to grul, or the wormy state, and only to their own reputation, but to We think it necessary to warn the accumulation of the ground and grovel two some memorial should be preserved of their or three feet beneath the surface, in or-

by the female in depositing her eggs, is told. We hope to be able to follow him through all his charming mirrative.

DIED.

They are eaten by hogs, squirrers, and some of the larger birds, and when fried form a favorite dish with the Indians. The grasshopper is classed with the genus locusta, and some of the devastation ascribed to the grasshopper is said to have been done by the red-legged local to hav

The result ances of United States bonds to prope have been remarkably heavy ducing a past week.

The late Secretary of the Servill sell out the Chronicle and ylvanla for Grant and Formey.

We find some naturalist will give him the desired information.

—turn newly enfranchised brethren of the South and their dusky wives and daughters have no very "great moral does "we believe; but their "purely religious" notions are rather strong, to say the least of them. A Methodst negro girl in South Memphis recently poisoned her laptist lather because he would not consent to her joining the clurred of her close.

—The Washington correspondent of the Filieggo Tribume diadell says: "H is alleged that Horatio Seymonr, feeorge Psudleton and Leonge B, McChellum mean to write letters to the Forthly of dily Convention, negling Hangock for the nomination by acclamation, Hemdricks, Grossbeck, Hollman and Charles F. Admins shand highest for the Vice Presidency.

—Last fall a man manual Perry was left upon one of the Islands in Lake Superior to tend to the lightformse upon it. The supply of provisions belt with bin was small, and the winder capill be had with him. This spring, assoon as it was possible, a brother proceeded to asceptain his late, when his body was found. He had been showed to death.

—This is the latest style of oldmany: "My unshand k no more, He did not wish to live."

A standing rulewas adopted that each continuous line of its proceedings and the continuous line of the blands of the latest style of oldmany: "My unshand k no more, He did not wish to live."

A standing rulewas adopted that each continuous line of its proceedings and the continuous line of its proceedings and the continuous line of the blands of the latest style of oldmany: "My unshand k no more, He did not wish to live."

A standing rulewas adopted that each continuous line of its proceedings and the continuous line of the latest style of oldmany: "My unshand k no more, He did not wish to live."

Found. He had been starved to death.

This is the latest style of oldmary; "My husband is no more, He did not wish to live longer, and If he had it would have made madifile enter, for gont entered his stomach, and was soon followed by death. I shall marry the decter who so kindly attended my late husband. Hearned then to first broader a stifficient notice to those persons elected who was researched a stifficient notice to those persons elected who were not present at the meeting.

The society adjourned to meet on salurday, the eld stand."

Morticultural Exhibition.

The floral display last saturday by the Kencky Horticultural Society exhibited many style and lovely combination. The society is highly honored by the active co-operation of so many balles; and it rannot but success In its praiseworthy efforts to refine and elevate public laste when lovely woman gives character and expression to these exhibitions eautiful flowers-fit emblems of herself! When the Divine Crentor expelled Adam

and Eve from the Barden of Eden and proounced a curse upon the earth for their disobedience. He yet had mercy, and with loving kindness allowed fruits and flowers to theer them in their dreary pilgrimage and be po

Thus, while tempting and lusclons fruits Young children expected to atte are given by aw All-Wise Creator, who fash-jourd nur-bodies after his own image, to re-fresh and nourish the body, thowers are given

or a free and most valuable editorial notice of our educational life in Indiana, to Mr. Frence, and to the beloved and lamented Col. John II. Harney, to whom we brought letters from prominent political friends of his in Indiana, for his great influence.

OMMENCEMENT OF MRS. W. B. NOLD'S SEM-INARY. We hope that our readers will not fail to attend the commencement exercises of the Louisville Feuale Seminary on Friday might next, at the Masonic Fenale. Mrs. Nold has simily tendered the proceeds of the affair to the Ladies' Mason c widows' and Orphans' Society. The price of tickets is fifty cents, we expect to see the hall crowded with the beauty and fashion of Louisville.

Mrs. Nold piedges her school to raise one thousand oil the thy lineasand dollars which the women of Kentacky intend to raise.

COMMENCEMENT PAFFOUSES OF MISS WHITE'S SEMINARY.

This excellent school, now under the charge Misses Brannon and Bettleon, will engage Itention of the public at Wignerskith, on the night of Wednesday, June C. On this occasion an interesting lass of swill graduate, and the other pupils of the night of will graduate, and the other pupils of the night of will appear in a most charming little lanea. The price of almussion is only fifty cents, and the entire net proceeds will be devoted to the purchase of a library for the benefit of the boys of the flows of Refuge.

How pleasing and proper it is, that neaden musceme, beauty and intellect should common to attord additional facilities to this reserving school for the moral and mental enture.
